Ouji-sama~♡
Should I take you to the nurse's office?
TN: Ouji means prince, but here it's her actual surname
Hah~
As expected of an idol...
むぐキャ
You've got your match, Ouji-san! Keep at it!
Really?
But you got hit because of my pass...
Ah, I'm fine! Don't worry about it!
Scary!
That's way too villain-like...
...Curse you, Ouji Kanade!!

If it weren't for her, I'd be the one standing there
What's this idiot saying!?
100/100

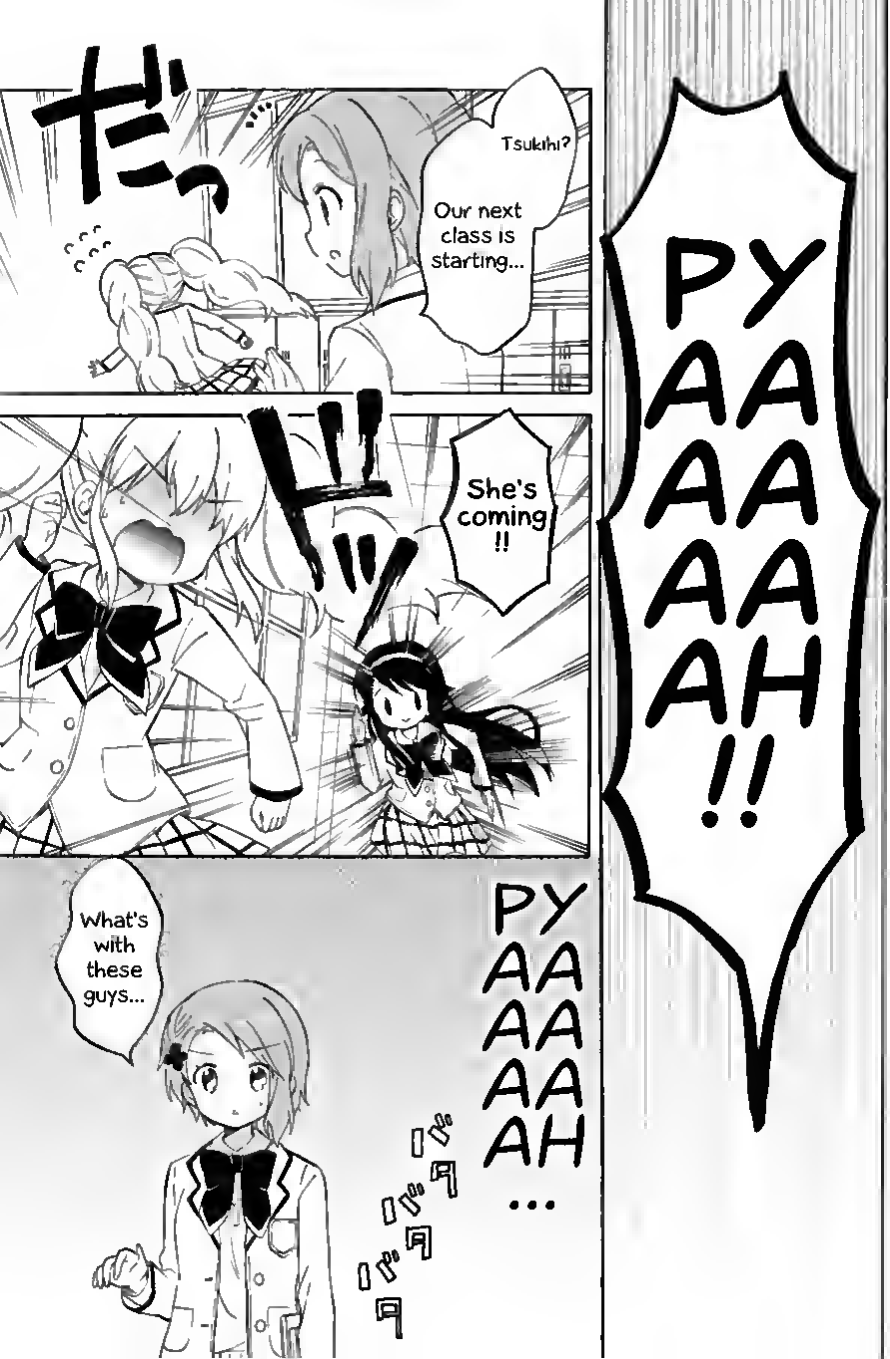
I love studying. It doesn't betray me
Your brain is your only good point, Tsukihi
ふふん
おりおり
I must study harder
ぐぬぬ
I refuse to lose to Ouji-san!
まあ
Well, Ouji-san got the same score, though
I caught a glimpse from behind
!!

I'm not gonna feel such a simple-minded ideal such as jealousy!
No matter what
Why must you treat her like an enemy?
Of me?
You're jealous?



だっ
Tsukihi?
Our next class is starting...
She's coming !!
PYAAAAAAH!!
PYAAAAAAH...
バタバタバタ
What's with these guys...

Why is she chasing me?
If I get caught she'll kill me...

You're not hurt, are you?
.....
Thank goodness!
Thanks to you

Y'know, Soga-san...
All of which she has a complex about
Is that sarcasm?
You...
Anime voice
Your small stature and high-pitched voice are cute
It's so fluffy
You have such pretty hair
Shorty
Frizzy hair
Your name is flashy too
Flashy name

Just like a princess!
I used to be
Well, thank you so much

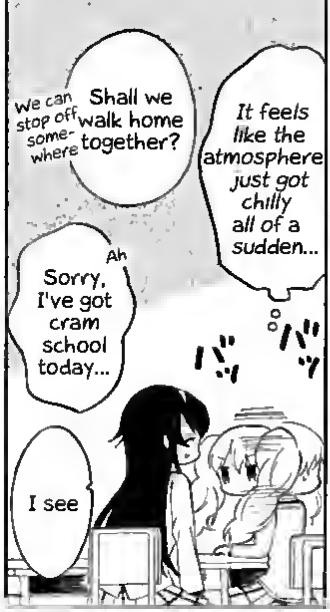
Y'know, I've always wanted to talk with you, Soga-san

Really!?
Then can we talk more often?
!?
I-
It's not like I hate you...
But for some reason you always avoid me, so I thought you hated me.
I'm glad I could talk to you today!
Is it okay?
Is it okay?
Do what you want!
We've only been friends since high school started, Emily!
Don't answer that!
Water flea
What did people call you when you were little, Soga-san?
Do what you want...
Should I just call you Tsukihi-chan like normal, then?
This girl's a prodigy
How!?
Oh...
Wait, I've got it!
Since you're Soga, something like a dolphin?

蘇我月姫
Your handwriting is so cute, Tsukihi-chan
Mind if I try to imitate it?
Forget it
It looks more like the ballpoint pen is writing it
How rude!
Fancy
That's a huge bento!
I'd die if I ate all that!
I'll give you my lunch!
Surely you can't be satisfied with just that!
Make sure to eat!
Quit clinging onto me!
...A dog?
Tsukihi-chan, Tsukihi-chan!
No fair, Tsukihi! Quit hogging Ouji-sama to yourself!
She's relentless~
Fanclub

Why am I getting along with her!?
Thanks!
Hah
ooo
After a week, I eventually got used to it...
Can I borrow your eraser?
Sure
It's nothing
What is it?
You only figured that out now!?
I've been telling you constantly
Could it be you're annoyed by me tagging along so much?
Hah

having you around, Ouji-san
Well
It's not like I hate...
What's with that expression !?
!!!!!!!!!
Ah!
This pressed flower bookmark seems pretty worn~
I've been using it since kindergarten
I made it with some flowers I got from a boy who was my first love
Despite how I look, I was pretty popular back then
...Ehh~



Shall we walk home together?
We can stop off somewhere
It feels like the atmosphere just got chilly all of a sudden...
Ah
Sorry, I've got cram school today...
I see

!?

I wonder if she's waiting for me
Woah It's pitch black.

塾

Ah

I mean, it was back in kindergarten so I don't remember his face very well
I hid all of a sudden
It's probably not even him anyway
?
I've even forgotten what his name was

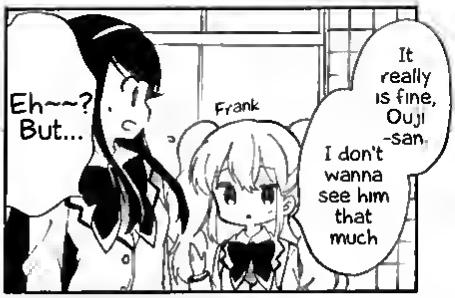
Good morning, Tsukihi-chan!
Surely
I always one-sidedly thought of Ouji-san as my rival, but
to think she really was my rival (in love)

Avert Gaze
Good mor- ning
Nothing
Did some- thing happen ?
Liar!
ぷいっ
ぷいっ
?
I wouldn't tell you even if something did happen, Ouji-san
How are you this bad at lying!?
しどろもどろ
Kyaha
Tell me!
If you don't, I'll tickle you to death!
Hey stop!
I'll tell! I'll tell you!

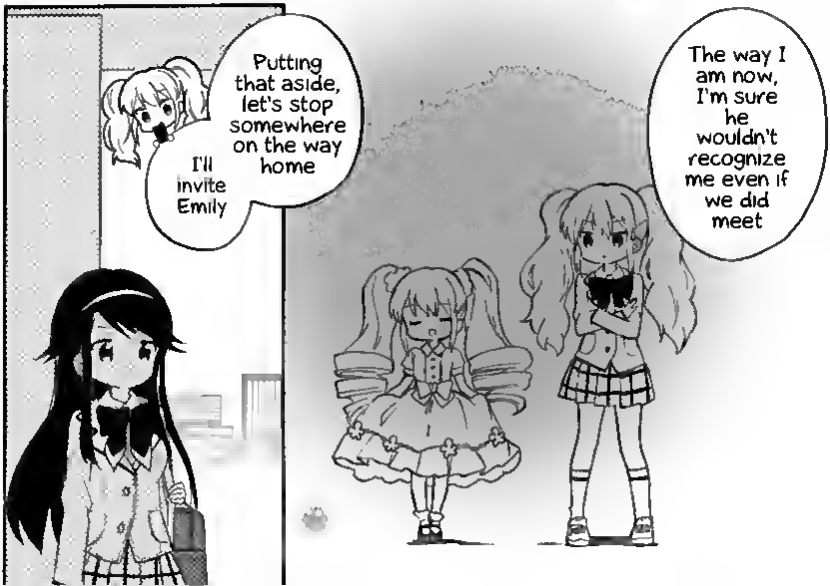
Yeah, probably
In fact, it'd be better if I was
Why?
You sure you're not mis-taken?
Eh?
ぱー
ぱー
You saw your first love?
Huh?
You should go see him
.....
Rather
He'll remember if he sees the pressed flowers, won't he?
It's fine! It's an old memory anyway!
NO!
I mean, this is your chance, right?
Why are you so fired up !?
Go today! Go soon!
It'd become a scene of car-nage!!

Couldn't say anything in the end
He was in front of the station, right?
Tell me what he looks like, or what his uniform is or something!

Look
Sometimes it's better to just leave memories as memories



Eh~~? But...
Frank
It really is fine, Ouji -san.
I don't wanna see him that much



Putting that aside, let's stop somewhere on the way home
I'll invite Emily
The way I am now, I'm sure he wouldn't recognize me even if we did meet

That's not true!
Even now, you're still the same old Tsukihi -chan!
I mean, it's thanks to that I was able to find you again!

To me, Tsukihi -chan
will always be a princess
Eh...?
KANADE

Whatcha doing?
Heading home from school?

We're a bit busy right now, so there's no time to talk, Hibiki!
Oh crap
Heh?

Huh!?
Is that you, Soga -san?
It's been so long! Do you remember me!?
Siblings?

Shut up
We're siblings, aren't we? We should spend more time together!

That mop-like hair and that minimum feeling
You haven't changed at all...
Who are you calling a mop!?
Right in the solar plexus!
A-Are you alright!?
Yeah! Thanks for your concern
You're so kind
I wasn't talking to you!
Let's reintroduce ourselves, I'm Ouji Kanade and this is my big brother, Ouji Hibiki
Hey there
We're brother and sister!
We do get misunderstandings, though
We used to live near each other when we were kids
Remember how we used to play together?
Though I guess Kanade's changed so much you wouldn't recognize her

She totally used to look like a guy
And now she's so pretty
Creep!
Am I the only one who forgot?

I'm sorry...
Personally, I don't mind but I figured your first love should at least be an actual boy..
If you say that, I'm the one who should be sorry
For what?
It's okay not to remember what happened long ago
Still, I was really glad to see you
Me too
Same here

I'm so glad
Thank you for coming to see me
I promised, didn't I?

I'll protect you my entire life, Tsukihi -chan
Uhm I don't recall making any promise like that yet...
The next day
Tsukihi -chan!
I told you to watch out for puddles!
I'll carry you, my princess
Geez! I said I'm fine!
So jealous~
